In the farm you can see and purchase thoroughbred rabbits; various articles made of rabbit skin are offered as well. Here you can see birds and animals – lama, skunk, alpaca, sheep, goats, otters, marmots, geese, peacocks, pheasants, nandu, and others. More and more animals find their home on the farm. There is a fireplace, as well as horseback riding.
"Aivari", Sīļāņi, Vietalva Parish,
+371 26108488, 56.75182, 25.6128

67. Exposition "Latvian Army in Pļaviņas in the 20th Century"
During the War of Independence, the headquarters of the Latvian Eastern Front was established in Pļaviņas. In 1919, the activities of Latvian army units against the Red Army in Latgale were led directly from Pļaviņas. Now near the former headquarters building there is a memorial statue dedicated to 15 cavalry of the Lāčplēsis Military Order born in Pļaviņas region. In the premises is an exposition "Latvian Army in Pļaviņas 20th century", which tells about events during the freedom fights in Pļaviņas, as well as provides an insight into the life stories of the Knights of the Lāčplēsis War Order.
Advance booking. 2A Odzienas Street,
Pļaviņas, +371 28442692,
56.6170, 25.7207

68. Home Winery "Dzidris"
"Dzidris" is a house wine made at the farm "Ozoliņi" in Aiviekste Parish, near Pļaviņas. The home wine factory was certified and licensed in 2005. Apple, rhubarb, blackcurrant wine and cider "Dzidris" are produced here from fruits, vegetables and berries grown on their own farm and on the farms of their closest neighbours.
"Ozoliņi", Aiviekste Parish, +371 29186953
www.dzidris.lv, 56.6268, 25.8692

69. Bebruleja Memorial Stone
A large stone, placed in 1993 in order to mark the culture- historical riverway of the Daugava. Sculptor Vilnis Titāns has carved the names of thirty flooded houses of Bebruleja on the stone. During the mid-1960s, after construction the Pļaviņas HPP and forming the resorvoir, the village and cemetery of Bebruleja were flooded and located about 10 m below the current water level of the Daugava River.
Pļaviņas, 56.6052, 25.6926

70. Farm "Lavandulla"
Lavender is very specific and effective, it has many uses. On the farm, lavender is not only grow, but also processed. It is possible to buy both lavender seedlings and original earrings and pendants. There are also master classes in soap casting and bath salt formation. "Augšalunēni",
Vietalva Parish, +371 25535797,

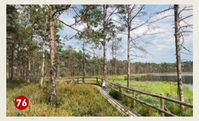
JAUNJELGAVA AND SURROUNDING AREA



71. Historical Centre of Jaunjelgava
National level historical monument (built in 17th-19th century) of town construction. In the historical center of Jaunjelgava you can see the churches, the memorial statue "Heroes of the War of Independence" and the monument of the first Minister of Transport and Labor of the Republic of Latvia Teodors Hermanovskis. Advance booking for guided tours. +371 27366222
11 Lāčplēša Street, Jaunjelgava,
56.6173, 25.0817

72. Jaunjelgava Promenade
Well-maintained walking trail on the bank of the Daugava (~ 2 km) with a playground for children, rest areas with benches, tables, campfire places and parking.
Jaunjelgava, 56.6211, 25.0883

73. Jaunjelgava Jewish cemetery
Jews were reburied from the murder sites in the first years after the war to the Jewish cemetery in Jaunjelgava, where a monument with a sign in Yiddish was installed. In year 2003 memorial with a planch was erected in the Cemetery, which reads in Yiddish, English and Latvian: "More than 500 Jaunjelgava Hebrews were killed on August 7, 1941" 12 Meža Street, Jaunjelgava, 56.6081, 25.1020

74. "Ellīte" Sulfuric spring
Sulfuric spring flows out of the Ellīte bog. It is possible to gather some water from the spring, there is a path with a recreation site and info stands. The spring is popular for its healthy water. Also therapeutic sludge was extracted there years ago.
Ellīte bog, Daudzese Parish, 56.4859, 25.26084

75. Inland dunes Pagrabkalni
Pagrabkalni is Latvia's highest inland or aeolian dune in the Taurkalne forest massif in Daudzese Parish, which looks as if a piece of the Curonian Spit had been taken and thrown into the middle of the forests of Selonia. The highest peak of Pagrabkalns reaches 95 metres, and it is more than 100 km to the sea.
Daudzese Parish, 56.5293, 25.0910

76. Aklais (Jugu) Bog
Nature reserve "Aklais purvs" was established in 1999. It is 2003 ha vast. The area is with high landscape value. It has typical high bog landscapes, lakes and closed forest landscapes. A 2 km long footbridge has been created in the bog, where it leads from the memorial site, which was created in honor of the battles of the Second World War along the Girupe River to Girupe Lake.
Daudzese Parish, 56.5057, 25.1182

77. Memorial Site of Cliff Staburags and Vīgante Manor Park
In Vīgante Park you can see the memorial sign "Dieva auss" dedicated to the flooded rock of Staburags, the sculpture "Daina", the daylily garden, the Staburags meeting house with exhibitions. In Vīgante Park it is possible to visit P.Barisons' gazebo, where there is information about the composer, his work, song festival tradition and it is possible to listen to the compositions created by the composer. Vīgante park,
Staburags Parish, +371 29892925,
56.5743, 25.4961 & 56.5792, 25.4814

78. Adminu Great Rock
This gneiss giant shows us in all its beauty. The dimensions of it are 3.9 x 6.1 x 2.5 metres, with volume of 32m3. Measured by Opmanis on September 7, 1997.
"Ādmiņi", Staburags Parish, 56.5240, 25.5169

79. Memorial sign – object of art, dedicated to Gothard Fridrich Stender and "Siberian Crosses"
To mark the 300th anniversary of Old Stender, a memorial was unveiled in the center of Sunākste Parish on August 30, 2014. In his honor, the Stender Alphabet Trail was created, which introduces the letters of the "Picture Alphabet". The trail is about 300 m long and leads to the site of the former manor house. The most impressive work of art of the exiled artist Siegfried Sapiesis the object "Siberian Crosses" is located in the centre of Sunākste Parish. It expresses the artist's feelings about what happened to him and many other Latvians who experienced the unwanted war and the horrors that followed.
Sunākste Parish, 56.4590, 25.4821

80. Sece Lutheran Church and Tomb of Fridrihs Malbergi
In 1792, a stone church without a tower was built in Secē. In 1862, according to the project of architect Johann Helt, the church was rebuilt and a tower was built. The rebuilt church with 300 seats was consecrated in 1862. October 28. Sece Church is a neo-Gothic stone-brick wall with a tower. The poet and teacher Friedrich Malberg (1823–1907) and the German soldiers who died in World War I are buried in the church cemetery. Friedrich Malberg was a band in the Sece Lutheran Church and taught Sece's children for 31 years. Sece Parish,
