Is Nihges. No daschahm Widsemmes muischahm irr usdohts, zif leela hysteni ta skahde eshoft, kas paraffarâ ja ur teem pluhdeem un leddu pa winnu walstik notikke. Taggad te to farehkinaja un atradde, ka tikween pa Nihges bruggu-teekas walsti scho skahdi warroht rehkinahd us 81,395 rubleem un 50 kapeikeem fudr.

Is Pehterburges. Nu jau arri pa Kreewu semmi tikkuschi sahf audsinahd wihnu. Zif winn' puss' Kaukasus-kalneem taggad jau iknogaddâ isspaida lihds 3,888,000 spannus, bet tas wehl ne kas naw preefch tahs pa-schas mallas laudim; jo tee bruukje stipri. Pa to weenu pilsfehtu, ko sauz Tirolis un kur tik 23,000 eedishwotaji, ifgaddâ isdserr 700,000 spannus. Sinnams, ja tik dauds pascheem maijaga, tad ne warr wis pahroht zitteem.

Is Londones. Zif laimes Calendereem pee la schu sveijas ilgi naw bijuse, ka schâi waßarâ. Sakehre tik leelu pulku, ka ir nabbagi, lihds schim tik ar filkeem peetikkuschi, sahze laschus ehst un filku bohdneeki nahze skahde. Pa Skottu un Ithru semmes uppehm laschi jau April-mehneschâ sahf nahkt us augschu, bet no Juhni lihds August tad ween nahk barreem. Daschâ weetâ laudis ar lascheem nopolna iknogaddâ zo lihds 70 tuhstohsch fudraba rublus. Ne fenn weenâ paschâ uppê, ne zif taht no grihwas, eefsch 72 deenahm sadabbuja 882,000 leelus laschus. Ak tawu svehtibu! Raug', ta parahdahs skaidri, ka naw teefs, ko zittôs gaddôs fazija, ka ugguns fuggi ar sawu warrenu trohksni ee baijojohit siwis.

Is Seemel-Amerikas. Wehl weenâ gabbala no Wahzsemmes tur at-nahk laudis, kas no sawas semmes waldischanas to brihwibü isdabbuja, turp eet dsihwoht. Tannis pehdigôs gaddôs afkal tik leels pulks atmahze, ka wairs ne sinn, kur winnus lift, un kas us preefchü ar winneem buhs. Schâi gaddâ tur wehl 157,000 Wahzsemneeki bes weetas atraddahs.

Sinna par wehrgu buhshanu Amerikâ.

Amerika irr lohti baggata semme. Selts, fudrabs, dahrgi akmini tur pa pilnam, semme isdohd auglus baggatigi un teem eedishwotajeem dsihwe pateefi flavejama, kam laime wehlejusi peedsimt fwabbadneeku fahrtâ. — Schee swab-

Jau wehrgu saites faxautas
Un mahnu blehnas pohtitas; —
Lo grehku negantibas suhd;
Lee spaiditi few brihwus juht.—
Girdsschehligs muhsu Deews!
Pateefigs muhsu Deews!
Laisnis irr muhsu Deews!
Winsch muhs irr schehlojis.

Deews gribbeja, ka zilwekeem
Vij' mihleetees kâ brahlfcheem,
Geksch mihlestibas weenoti,
Lai dsishmotu kâ debbesi;
Lai labbis prahits darritu,
Kas ohtra laimi paschirktu. —
Bet grehku tumschums pasaule
Zeem laudin prahitus aplahje,
Wirs trohneem mitte bahrsiba,
— Un — wehrgu kehdes skanneja; —
Gars, kam us augschu jazellahs,
Vij' nospeests lihds ar meefinas;

Vor gudreem walschkuus flaweja,
Un gekki wahsus spaidisa.

Lä behdse tikkums, — eelihde
Grehks pillis, semmā pafpahrne,
Kam spehks bij', dalla gaibama,
Lam wahjam wehrgu buhfschana,
Kä lohpam nastas uskrausam,
Lä zilweks krahwe zilwekam,
Un Kursemme un Widsemme
Bij' ziftahet wehrgu semmite.
Nu labbaki sau parahdahs,

Un aisdenn mahnu tumfibū
Un salausch warru negantu.

Ar fird' un mehli nodseedam
Tew, Deewś, un tewi peeluhdsam:

Augst, sems lai zeeni tikkumu,
Un mihlo prahha gaischumu,
Lohs wahsus, Kungs, tu uszill,
Ka tee tew atshst, gohdina.

Lai kungi rahdahs schehligi,
Un pawalstneeki klanfigi,
Lai ikweens meeru firdi juht,
Lai atshst to, kas zittam geuh.
Lohs, kas wehl wehrgu buhfschana
Nospeesti, gaudas wainana,
Lohs arri, Kungs, drihs atpesti,
Lai dshwojam kā zilweki.
Lai zilwekibas wehrtiba
No zilwekeem tohp atshsta.
Amen!
