„Dsehrbenes un Drustu draudses, Widsemme. Tas Kungs par dschwibiu un nahwi schinni pehdigâ laikâ divi no muhsu draudses apgah-datajeem un draugeem zaur weeglu nahwi no schahs pasaules irr atnehmis. Nomirre tannî 12tâ Mai Wezz-Drustu dsiumts leelskungs, oprahs un daschu gohda shmju brunneneeks Heinrich von Hagemeister. Warr buht, ka daschs no teem, kas schahs lappas lassa, winnu labbi irr pasinnis un gohdâ turrejis. Scho gohdu winsch gan irr pelnijis, jo winsch bija labsirdigs wihrs, kas Deewu bishdamees, zilwekeem dauds labba irr darrijis. Winsch ne ween par Drustu walsis lauschu laizigu istifschamu un labbumu, bet arridsan par winnu dwehseles labflahschamu tehwijschfigi gahdaja, peepalihdsedams skohlas cezelt un Deewa nammu nstaifht. Za kaut kahds Latweeschu draugs par muhsu skohlalm un par muhsu jaunu Drustu basnizu skaidru sunni griss dabbuhrt, tas lai rohka nemim to jauku grahmatimu, ko wezzajs Drustu leelskungs pats sarakstija, kad Drustu basniza tannî 1838tâ gaddâ tifke eeswechita. Schai grahmatai irr wirsraksts: „Sinnas par Drustu draudses basnizu.“ — Wissi, kas muhsu nelaika gohda-wihru irr pasinnuschi un mihlejuschi, lai arridsan schahs grahmatinas ötu lappu usschkire, tur winsch ar firðs-pakustinaschanu lassibz schehs wahrdus: „Arridsan es zerreju tur to muhschigu meegu isguilleht, fur manni wezzaki un juhsu tehwi dusß, un fur arr' tas dussehs, kas mannim scheit laizigi wiss tuwaki zaur raddibu irr saweenohts. Lai tad arri no juuns daschs, tai svehtâ weetâ stahwedams, no firðs sakka: Lai winneem weeglas irr schahs finiltis! Jo winni sawu muhschu muhsu labbuma pehz irr darbojuschees.“ Ta laikam arri ifkatrs no ta leela lauschu pulka irr dohmajis, kas leelkunga libki tai 20tâ Mai no Drustu-basnizas us kapsehtu pawaddija. Teescham, lai mehs scho gohda-wihru labba peeminneschanâ turram un winna pihschlus svehtijam lihds behrnu behrneem!

Tas ohtrajs draugs, ko tas Kungs no schahs wahrgu-semmites pee sevis irr aizinajis, irr muhsu mihlajis wezzajs mahzitajs, Kristap Nagel, kas preefsch kahdeem 7 gaddeem, firma wezzuma dehl, no sawa svehta animata astahje. Tas wihsa-kalna Kungs sawu wezzu strahdneeku tannî 18tâ Mai pee sevis aizinaja, winnu zaur weeglu nahwi atpestidams no wissahm mohfahm, ko winsch jau labbi ilgi bij iszeetis. Muhsu basnizas-pehrminderi ar behrnijschfigu mihlestibu sawa wezza dwehseles ganna libki no Walmer es atwedde, fur wezzajs Deewa kalps pehdigôs gaddôs leelâ wahjibâ gulleja. 28tâ Mai bija

ta behru-deena, kurrā leels lanschu pulks bija sanahziß, sawam mihlain dwehseles gannam to pehdigu gohdu doht; arridsan fahdi no teem Zehsu-aprika zeenigeem mahzitajeem bija atnahkuschi. Maunas un Skuijenes mahzitaji runnaja kahdus mihestibas wahrdus pee sawa wezza drauga un ammata beedra sahrka un kappa. Muhfu jaunajs Dsehrbenes un Drustu draudses mahzitajs no kanzeles scho behru-wallodu teize: „Kungs, tu essi mums par patwetherumu us raddu raddeem! Tuhfatoschi qaddi irr tawā preefschā int kā ta deena, kas wakkar pagabjusi un kā weenas naiks waktis. Tu dorri tohs zilwekus par pihschleem un sakki: atgreesetees atvakkal, juhs zilweku behrni. Tu apnemmi tohs tā patt kā pluhdi, tee irr itt kā meegs, tee irr agrumā tā patt kā sahle, kas sawihst,— kas rihtā sallo un tad atsell un wakkarā tohp no plauta un falst. Bet tawa gehdiba irr paleekama no muhschibas us muhschibu; lai mehs dsibwojam, lai mehs nomirstam, mehs tenwim peederram! Almen.— Mihla drandse! Muhfu mihta basniga irr schodeen par raudu nammu palikusi; jo mehs scheitan ar assarahn esham sanahkuschi, sawam mihlain wezz-tehwam un dwehseles gannam ar Deewu saazziht; mehs stahwam raudadami pee winna sabrka un gribbam winnu glabbaht. Meers lai irr ar winnu! Lai mehs ar sirfnigu mihestibu winnu pa-waddam us to pehdigu gahjumu; lai mehs wianu tā meera=weetinā apguldnajam, kür muhsu tehwi tehwi, wezzaki, laulati draugi, behrni, brahli un mahfas no deenas karstuna un nastas isdussahs un no wissahm mohkabm un sabpehm atpestiti, sawā klussā meera-kambaritē gult eeksch mihla Pestitaja salda meera. — Sawi mihlu wezzu mahzitaju gohda peeminnedami, lai klausamees, fo tas apustuls Pahwuls teem Ebrcereem 4. nod., no 9 lihds 11. p. raksta:

„Tad nu wehl atleek svehta dusseschana teem Deewa laudim. Jo kas winna dusseschana irr eegahjis, tas pats no saweem darbeem arridsan irr dussejis, tā kā Deewa pats no saweem. Tad nu lai mehs darbojamees, tanni dusseschana ee-eet.“ Vodohmasim schohs saldu, mihligus wahrdus!

— I. „Tad nu wehl atleek svehta dusseschana teem Deewa laudim.“ Scho svehtu dusseschana, kas teem Deewa laudim atleek, mehs schinni wahrgu seminitē ne warram atraft. Scheitan, schinni pafaulē, mehs esfam sweschumā — ta tehwa semme irr debbesis; scheitan mehs esfam zella-wihri, kam zelsch aiseet us to muhschign Kanaänu, us to debbesfigu Jerusalemi, „kā ta draudse dands tuhftoschn engeku, ta sapulzinachana un drandse to pirmdsim-muschu, kas irr usrafstili debbesis.“ Scheitan, schinni wahrgu-seminitē mums ne irr paleekama pilsfehta, bet to nahsamu mehs meklejam. Scheitan, kamchr mehs wehl sawā mirstamā meesa esfam, mums wisseem tas nahwes zelsch jastaiga, kas tumsch irraid, un zilwekain schausinas usnak, to apdohmajoh, tapehz, ka isnihziba muhsu dschwibas baideklis irraid. Ak, wissa pafante ijrhdahs kā leels mirronu nams, jo mehs wissi appaksch nahwes recas stahwam. Wissapfahrt schinni behdu-pafaulē mehs redsam assaras un mohkas, kappus ar libku faulcem, mirronus ar libka frekleem, behres ar lihka-nessejem; wissapfahrt schinni mohku eeleijā mehs dsirdam waidus un randu dseesimas un nahwes pulksinus. Wissi zilweki us mirschamu peedseimin un mums wisseem ja-

schkirrahſ — weenam no ohtra; laulotam draugam ja-schkirrahſ no fawa lou-
 lata drauga, wezzakeem no fareem behrneem, draugeem no fareem draugeem.
 Al, drihs atwehrahſ wahrtiſch un mehs tumschā bedritē ee-eemain; tee atlik-

 irr ta duffeschana, kas teem Deewa laudim atleek „un kas ſchak duffeschana
 eegahjis, tas pats no fa weem darbeem irr duffejis.“ Muhsu ne-
 laika wezs-tehwſ un miħlaſ mahzitajſ mi arridjan pehz dauds ſahpehim un
 mohfahm irr eegahjis ſawa Kunga duffeschana, — nu winsch no wiſſeem fa-
 weem darbeem atpuhſchahs. Winna dſiħwibas - laiwinia ſawu brankſchanu irr
 pabeigusi un taħbi meerā. Tas wiħna-kalna kungs ſawu uſtizzamni kalpu irr aizi-

najis un winsch dohd sawam wezzam strahdneekam to schehlastibas algu, sazzidams: „Tu esfi pee masuma ustizzigs bijis, es tewi eezelschu pahr dauds — ee-eij sawa Kunga preekā.“ Nu tas gohdigs Deewa kalps duß ta Kunga salda meerā; winna gaitas irr pabeigtas — winsch gult no wisseem darbeem un raisehm. Tee darbi, ko winsch pee terwis, miyha draudse, irr padarrijis, bija eeksch ta Kunga darriti. Jo winsch strahdaja eeksch sawa Kunga wahrda un eeksch ta spehka, ko tas Kungs winnam bija pasneedsis. Winsch to pohdu, ko tas naimma tehws winnam bija ustizzejis, ne bija razzis semmē nedis fweedru antā eetinnis un paturrejis, bet winsch ar scho pohdu iik dauds irr uspelnijis,zik ween tas Kungs pats sawu svehiibu pee ustizziga kalpa darboschanahim bija dewis. Schis wezzajs strahdneeks bija scheitan pee jums preeksch kahdeem 40 gaddeem atnahzis, un ar jums kabdu 33 gaddus preekus un behdas irr redsejus un labbas un launas deenas ar saweem mihleem drandses behrneem sadishwojis lihds tam laikam, ka winnam spehki sudde un winsch preeksch 7 gaddeem sawu svehtu ammatu atstabje. Wezzajs gohda-wihrs pee jums ne bija atnahzis negohdigu pilnu deht, bet juhsu muhschiga labbuma un dwehseles labflahschanas pehz. Us tahdu svehtu darbu tas Kungs sawu kalpu bija derrejis, un schis padarrija sawu gruhtu darbu no sirds-dibben, labba preekschihme buhdams tam gannamam pulkam; ta leeziba, ko juhs, mihti draugi, winnam dohdat, irr schi: „ka winsch eeksch weenteesibas un Deewa skaidribas pee jums irr darbojees“ (1 Kor. 1, 12.), un winnam bija labba sinnama sirds preeksch Deewa un zilwekeem, ka winsch, zitteem fluddinadams to Deewa wahrdu, pats ne kluhstu atmattams; winsch ne dewe ne kabdu apgrehzibu, ka tas ammats ne taptu lammahts; (2 Kor. 6, 3.) un tas Kungs winnu darboschanu schehligi par pilnu irr nehmis. Ko mahzitaja mutte apleezinaja, to winsch zaur labbeem darbeem apstiprinaja, jo winsch ne ween ar mutti un ar luhpahim Deewa wahrdu fluddinajaja, bet arridsan zaur miholesibas darbeem, un redseet, mihti draugi, tahda fluddinaschana jums gauschi patiske un labbi pee sirds gabje un juhs schodeen ar leelu sirds-pakustinaschanu un ar dauds pateizibas assarahm pee-minneet wissu labbu, ko winsch jums irr darrjis. Teescham, winnam bija labba, mihliga tehwa sirds us jums wisseem, kā us saweem behrneem. Winsch bija pasennigs un lehnprahrtigs, Pestitaja pehdahm pakkat eedams; winsch turreja meeru ar wisseem; winsch kalpoja sawam Kungam ne ween paschā Deewa nammā, bet winnam bija „ta schkibsta un neapgahnita kalposchana preeksch Deewa un ta Tehwa, bahrinus un atraitnes eeksch winnu behdahm apmekleht un servi paschu turreht neapgahnitu no tafs pasaules.“ (Zehk. 1, 27.) Winsch bija to nabbagu draungs, un winna kreisa rohla ne sinnaja, ko ta labba darrija; teem nabbageem un apbehdinateem winsch bija par tehwu, tohs winsch isglahbe no winnu behdahm un kam palihga ne bija, tohs winsch eepreezeja, winnu assaras noschahwedams no winnu azziun. Un tas sirds-schehligajs Kungs taggad us winnu sakka: „Es biju issalzis un tu manni esfi paehdinajis, — es biju noslahpis un tu manni esfi dsirdinajis, — es biju pliks un tu
