No Muischazeema. 26. Oktoberi mums bija eewe hrojama preeka deena, jo tad mums eeweda jaunu mahzitaju, zeen. Kursemes generalsuperintendenta dehlu, Th. Lambergas lgu. Iau wesels gads ir aistezejis, kamehrt muhs zeen. C. Bernewiža mahzitajs astahja, us Rihgu pee Jaunu draudses par wirsmahzitaju aiseedams; isgah-juscho wafar' winsch muhs wehl reis eepreezinaja, muhs apmekledams un Deewa wahrdus fludinadams. Wisu scho pagahjuscho gadu Lutrinu draudses mahzitajs, v. Raisona lgs, muhs beeschi un ne-apnizis oplopa ar fwehtheem Deewa wahrdeem, ka ihsti mas fajutahm leelaku truhkumu. Bet tadshu ilgojamees pehz fawa paschu mahzitaja, kas muhsu widu dñishwotu un katru deen' buhtu fasneedams. To nu, gods Deewam, esam faga idijuschi. Iau zetortdeen draudse un skoleni fahla zelt goba-wahrtus un basnizu pufchlot. Preezigi un weenis prahjis wisi Lehrahbs pee darba, it ka weens otru gribedami pahrspeht, lai til sawam jaunajam ganam jo leelaku zeenishchanu un preeku waretu fagahdaht. Pastahwigi jaunks laiks felmeja wifus darbus, zaur ko ari fwehtheem draudse it leela mehra wareja sapul-zetees, ta ka muhsu basnizā til knapi puſe lauschu atrada ruhmi, un otra puſe laukā pee atwehtheem logeem un durwihm klausijahs. Ar spehzigem wahrdeem zeen. generalsuperintendenta kungs draudsi us-runaja, par eewe hrofchanu nemdams Jer. 3, 15.: „Es jums doschhu ganus pehz fawa prahta; tee juhs ganihs or sinu un fapraschanu“, pamahzidams, ka tas gans, ko tas kungs mums fuhtijis, ir tas eerozis, zaur kuru Deews muhsu dwehseles grib aplopt; tamdeht lai to fakemam ar mihestibu un ustizibu. Pehz tas usrunaja jauno mahzitaju, tam wina fwehlu amatu pee firds lildams, lai allash pa-leaf ustizigs tam Kungam, kaut ari daschlahrt krusis un pahraudi-schanas buhtu jazeesch. Pee scheem wahrdeem dauds draudses lozeku bija dñiki firdi fakustinati, ta ka asaras noslauzija. Kad jaunais mahzitajs bija fazijis, ka scho draudsi grib ustizigi kopt, tad zeen. generalsuperintendenta kungs tam pasneedsa Augstahs Waldibas ap-stiprinaschanas rakstu, zaur kuru tas muhsu draudse eezelts par mahzitaju, un rokas uslizis, to fwehlija. Tapat ari zeen. prahwests un Skrundas mahzitajs, ta ari Saldus un Lutrinu mahzitaji, rokas uslikuschi, to fwehlija. Ar firsnigu Deewa peelu hgfchanu tupa eeve-schanas zeremonija nobeigta un lahtiga deewakalposchana eefahlahs. Jaunais mahzitajs fazija sprediki pahr 1. Pehtera gr. 4, 8.—11. tik gaifchi un saprotami, ka tas draudsei gahja pee firds. Beidsot tas ne ween draudsei pateizahs par mihtu faga idijuscha, bet ari apfolijahs, ar draudsi mihtā fatikschana dñishwot; tapehz lai schi ar ustizibu pee wina nahlot un fawas apgruhtinatahs firdis tam atklah-jot. — Tad nu lai Deews palihds muhsu jaunajam dwehseku ga-nam, ar felmi muhsu draudse strahdaht, un lai ta Kunga gars ari pakustina draudses lozeku firdis, ka tahs ik deenas jo wairak astahj launumu un peekerahs jo zeefchi Deewa fwehtheem wahrdeem, lauda-mahs wadiht ihsta kriſtīgā un Deewam patihlamā dñishwoschana. —
