## Maria

Woi warr es ar tahdu mihlubb' un klaht <sup>bu</sup> Draudsi Preersch  
mann prassint?

Ka muhsu mihlais Pestitais wißsu piwmax tai Mariai  
Madalari irr paraheljees irr tak weena gauschi ee preezing-  
dama leeta wißseem nabbageem wahrigeem un samaitateem, so  
ta Maria bija weena gluschi samaitata grehtmeeze, ioinnai.  
tappa dauds grehki peedohti un ioinna tadehl daud mihloja  
Mehs no ta warram redseht ka ta Pestitaja sirds prett wiß-  
seem nabbageem grehtmeexem irr, un zik lab prant iomseh  
tahdeem behdigeem kahrigem un peht ioinna raudadamem  
tuou nahk. Kad iomseh prett weenu weenigu nabbagu grehtmeesi  
lik gauschi mihligo un laipnigo irr bijis, tad nu warram prant  
marleetes ka ioinna sirds prett weenu Pulzimu no tahdeem  
nabbageem grehtmeexem un grehtmeezehm. ~~bu~~ buhs degl.

Ar kaut mehs dersch ioinna sirdj warretum esnabbint. Ar  
Kahdu karstu un leelu mihlelibas leefnu muhs tur by re-  
dseht, seiwischki tai Laika kad tahds Pulzinsch kohpa irr kas  
peht ioinna raudadamis statio, un no ioinna jaunu scheklasti
