Teksts: Tu effi ar wiffu sfo gahda,
schanu par mums' gahda'is, ko
bukt' man tew darriht'?

2. Jekn. 4, 13.

Mihbas' elahsu; sfohu' wabr,
du' warram' mhu' wiff' labbaki
Pestitajam' peeli'nsinapt. Ko
mums' nu' wi'ham' bukt'
darriht', ka' wiffste' few' preekt'
mums' ir' nodewees', un' tik'
daud' zeetis'? Us' to' nu' gannik',
kabra' pateesa' elahsa' abildes';
ak' kaut' mannim' tuk'p'p'okas'
sirdis' bukte. A' tad' es' ar'
wiffatnu' wiffnu' mihlotu.
Wiffst' wekte' ir', ka' juhs'
wi'ham' ween' gik'wojart,

wiitham ween par preeku, un
ar wiithu to derribu uszeblakt,
wiitham wiffai ar firdi, meesa
un dwehfeli pcederret, par
lohmni wiitha rupktu mohtku.
Bet tas Pestitais muks arri
dastreis ta usrunna: Tu effi
mannim fiko darrijis, ko buks
man tew darriht? tad falkait:
Dohma un darri zilwezigi ar
mums! jo tahdas dohmas win,
na mihtodama firdi lihifigas
irr, jo wiifsk tahda masa firds
irr, ka ne wena firds masaha
ne warr buht. Bet mums
tahdas dohmas ne derr: es
esmu Pestitajam fiko un
to pa prahnam darrijis, ko
wiifsk manhim darriht?
jo us tahda wiifsi mets journa

derribã ne dotmajam. Komme
tas Pestitais preekche meens tik
daud ir darris; tamme mehd
winham pateizam, un few pa,
Jesus un wisse to aistwistam
ho darram. Wessa musse soecht,
ba ir, ka mehs ka nablagi
grehinecki, weens Jesus zeecha,
nas un natwes dehl meere,
preeke un gfitwibe dabbajam;
un kad mehs aiseetam, tad
musse pelidiga luhosirana tak,
da patte luks; ka musse firma,
ka pek musse apschloftuans
ir bisi. Ta Kristus offis taij,
niba, ir manni swahtk un
grehiba, un, sike naktu es nat,
bagi grehinecki; kas Jesus mak,
sas dehl gribb eekha. Pet Pestita,
jam tomek itt lalli patik,

Kad mehr wirham ko paprabhan
darraam, un wirha cauffus tur,
ram. Tas Peditais lohte us to sirds-
peetizibu lukko, kad weena mah,
fa to wiff mapaku leetu ar to
pafitea peetizibu darra, ne ka
wiff dahrgaku, tad tow Peditais to
sik angsti turr, ka kad weens
Mahzitas fauru darbu peetizigi
darra. Tas Peditais us to dahrga,
mu ta darba ne lukko, ko wiffch.
mums us tiz, bet us to loch serok,
tibu un sirds peetizibu, ar ko mehr
to pafitea padarraam. Tadehl weena
mahfa kas taks gokuris flanz, tik
fwehtiga warri buht pee faura darba,
ka weena Koppaja jebzitta darbine,
zet kad ween wiffa ar sirds pee,
tizzibu noteek.

Tas darbs muhs swetigus ne darra,
bet ta tuuru drauciba ar to sakaja
wirru, un ka wiff, ko ween darra,
eksti jisthanas wirsha mihle,
stibas padarram, jo ta muhs pec
mufu darbo swada, un ka
mets arri peekupstam, tadzaur
wirshu topam stipinati. To we,
na fewistki dahga ceata ir, ka
weena masha pekz sids skaidra
ir un sim un uru fazzint. Tas
Radditais mannas dwekels un
tas fataisitais manne matti,
nu, mannim darbu ir wolizis,
wiffe to ko es nu darra, to es
winham darra, ta ka wiffch
mannim fannohs stahw us
mannu darbu ushatt, un ka
man grubti eet, dallibu nem.
Ta arri ir tas Pestitais pec wiff,
fahm

mushu wiff mofohomm ceetah^{hon}
dallibu hem, un nur wiffich tah,
das firdis outwido, how wiffaw ceetas
eefich fhattifhannas us wifficu
padarow, pee tahm wiffich arri
pee sawa mihga debbesu Tehwa
apleezinahyats; un dohmar: ta
firds tik peetziziga prest man
irr, No man wiffhoui lups pear
labbu darwint ?

How doh how dwehfeles pakalla
paleek, tas briffichann no ta
nakk, ka tats eefich mofohomm
ceetahm nau peetzizigas; un
tadehl wiffrahm arri potteesaw
ceetas ne warr ustizjehs tikst.

Ret had ta firds ikdeenar ar
to Pefitaju eefich fadroudfesha,
naw jihwo, tad wiffich mushu
affarinas fhattita un paglabba.

eeksch wiñha affariñha trouzina.
Lai tau sweltais Gars jims
wifaw zauri schkiñsta, puschko
un furlida, ka tam Pettitoyam
dauñ preeki no juppu kahrtaw
teek, ka wifsch peckkatras^o no
jims^o warr oyleezinotaw, un tur
klaht to leezibi dotat, ko wifsch
tau Mahriai dewe, fozidams:
wiñha in dourrijis, ko wiñha
frepje.
