Tu Behrninseh tappi weens Praweets
ta wiffu augstara nofaukts. Lukk. 1. 76.

Schee wahr di statw eersch schodeenischria
Ewangeljuma, un meh's nemmam tohs ta-
dehl par muhsu Tersts wahrdeem, ka wee-
nu aizinafchanu no Sihme, kas tam behr-
nam notikkufi. Tu behrns tappi weens Pra-
weets ta wiffu augstara nofaukts. No ta
meh's redsam, ka tas ne par welti irr. Kad
~~dehl~~ meh's muhsu behrneem jaw sakram,
kas tas par leelu Mehrri irr, Kadehl win-
ni eersch Pasaules irr. Un jebfchu meh's no
ta ne labpraht runnagam, ka ~~winnas~~ ^{toem} by
leezineekem tappi, no Jesus Nahwes un Zee-
fchanas; tad tak ~~winnas~~ ^{meh's} gann warram
juhs us to peeminneht, ka ~~winnas~~ ^{juhsu} pirma aizina
fchana ^{irr} effoht: to mihlu Pessitaju mihloht
kas farou dsihwoibu preekseh ~~winneem~~
jums irr nodewis, un sawu affini islehjis, kad tas
pee ~~winneem~~ ^{jums} irr notizis, ka winsch ~~winn~~
jums ~~winn~~ parahdijis, taia Bildi ka winsch
preekseh mums mohzihts. pee Krusta Kohka
it sildi saw affini islehjis; tad pehzar warr
gad ditees ka aplezina kas ~~winneem~~ irr no-
zizis. Bet ka jaw irr sakzihts tappis. tas ne
irr to behrnu pirmais mehrriis.

Mehs uskattam us kalnu kur behdās bailibās
muhfu weenigu sirdi reedjam, kas affinains
rauda. Tas irr to leelu un massu teetu mehr-
his. Kad tas ikdeenā ta notēk, tad tas swēh-
tais gars muhs ar pusehno ar sawahm da-
waninahm, tad winseh muhs ar pahrbauda,
un gribb reedseht, šik peetiššigi ta mums pašneeg
ta sehehlasiiba tohp waalkota, un kas tad irr
peetiššigs massuma, tam tohp pehž arridjan
leelakas un dahrgakas leetas ustižetas

Eesseh behnu gaddeem gan mas irr weenam
ustižehs, bet tomehr tar jaw Kas: Kad behn
ni eesseh sroklas mahžah, kad Puišehi tam Teh-
wam. Meitmas tai Mahtēi paligā nahk, un
winni jaw to Pessitaju mihlo, tad jaw buhs pee
ta wišs massaka Darba rahditees, ta winnu
mehhis irr, žaur to, ta Pessitaja sirdi epre-
žmaht. jo tadehl mahžah, winni laffih, rak-
ših, un kad leelaki tohp, šillu semneeku dar-
bu srahdaht, un tahds behns jaw pee tahda dar-
ba warr dokmaht: Es wišs mannas leetas ta-
dehl gribbu pareisi mahžih, ka es tam Pessita-
jam ween derrigs tohpu. Lai tad winseh ar man-
nim darvati ko winseh ween gribb: es gribbu
ween allaschim preesseh winna gattawos flah-
weht: Winna Tikkums pee Mahžisehanas, buhs
man skubbinahht tikkusehi srahdaht, winna am-
Annata peetiššiba, buhs man peetiššigu darriht
pee manna ustižeta darbina, un kades leelais
tohpu, un man buhs gruhšanas darbu srahdaht
darriht

tad winna dahrgi darba fweedri mannim wif-
fu gruhtibu weeglu darrihs, un pee wiffa man-
na darba atspirdfinahs.

Tas irr tahda fataififichana us nahnufehu mehr
ki, kad jaw eeksch Behrnu gaddeem us to dohma
kas us preekschu buhs, prohti ka mehs kad wef
fasi tohpam. no weena gadda peht ohtra ta Pe-
ffitaja sirdi gribb ^{am} (eepree) maht, Tas nu gann ne-
irr weena leeta, no ka teem behrneem daudj buhs
runnaht, bet behrnu wirf leeta irr un paleer alla-
schin, ka eeksch winna wahtim gannaht. un eeksch
tahs apkohpschanas ta peetififiga Pessitaja us-
augikkatra gadda.

Kad tas ta eet no weena gadda us ohtru, tad
tas Pessitais gadda, pahr to fwaidifichanu, kas
(~~winna~~ ^{jams}) kattrâ gadda, irr wajaga, un kas (~~tahs~~ ^{juh}) il-
gine irr redfejis un (~~tahs~~ ^{juh}) tad usskalla; tas pa-
teit tam Pessitajam un preetajahs pahr (Behrnu)
fwehtigu augumu;

Faur to tad tohp ~~tas~~ wifs tas gruhts darbs, kas
pee behrnu kohpschanas irr, aismirfts, un klaht
max fahts. Un tas Pessitais preetajahs, ka win-
na gruhts darbs pee (^{Behrnu} ~~juh~~) us audfinafichanas,
ne irr par welti bijs, un leetijahs ar tahdam
sirdim, kas winna wahtim par gohdu dfihwo
