

EU4Dialogue

Summer school "Library as a community cultural space" within the framework of the project "EU4Dialogue: improving exchanges across the divide through education and culture"

20 – 30 August 2023

Rīga and Cēsis, Latvia

The aim of the Summer school is to promote mutual communication, joint learning and cohesion by sharing the best practices of Latvia, Moldova, Azerbaijan and Georgia in order to develop professional skills and competences in four thematic blocks: 1) Library information resources and their management; 2) Digitization and preservation of cultural heritage; 3) Planning and development of services of libraries and cultural institutions; 4) Cooperation with various organizations, institutions and local communities in the field of culture.
