Es pasargohs eekfch Tawu Luhpu  
wahnda, preekfch Kildwetu darbeem!  
Lahnwid Sj. 17. 4.

Manni m. Br. un M! fchee wahrdi irr ta  
Kehnina Lahnwida wahrdi. Kad mehs tohs  
Wahrdus eekfch 5<sup>ta</sup> perscha klaktu Nemmam:  
Usturri Tu manrus gahjumus us Tawcem felleem,  
ka manni Sohli ne fchaubahs, Tad reds ka  
winfch ne fawam spehtkam ko ustiff, bet pee  
wisfas pasargafchanas tam Kungam ustiffahs.  
Tas fewischtkeigs Lahnqums eekfch Lahnwida wahrdi  
deem irr ta leeziba, ko winfch no Deena Wahr,  
deem dohd: Es pasargohs, runna winfch us to m.  
Deendu, eekfch Tawu Luhpu wahnda. Eekfch  
wezzas Lerribas runnaja tas m. Deens pats,  
un Derve us to kalnu Schнай tohs desmits  
Bausflus; Tad winfch ar Runnaja faur teem  
Prandeefcheem. Bet eekfch jaunus Lerribas  
runnaja tas m. Deens faur fawu mihlu

Dehlu, un tas m. Pestitais fakka, tadehl: ko es ar  
jums runnaju, to es ne no serwis runnaju; bet ko  
es no manna Tehwa dsirdu, to es jums fakku.  
Tadehl Wunsch arr pilnas Saktis us kalneem pa  
roaddija eeksh Luhafshanahm, fawa Tehwa prak  
tu dabbukt sinnaht. Deers arr apleezinajahs,  
un weena Bals no Deebes fappija: Lhis irr  
mans Miklais Dehls, pee ka man Labs Prakts  
irr, to buhs jums kilausiht. Matt, 17, 5.

Tapeh<sup>z</sup> fakka ar Pahwils pee Ebr. 1, 1. 2. Deers  
Daschu reisi un daschadi weppohs Laikohs us  
teem Tehweem irr runnajs Laur teem Prawee,  
fheem; bet us mums irr Wunsch Runnajs  
Laur to Dehlu, kas irr tas atspihdums tahs  
Sohdibas: un tas Ghonis winnia buhschanas.

Lhi nu irr ta Mahyiba tahs Saunas Derribas,  
no tahs irr tas Pestitais pats apleezinajis: Es  
efonu tas zellsch, ta patecfiba un ta Dsichwiba;  
un mehs tadehl no zitta zellsa us sprochtibu ne  
sinnahm, ka no ta, kas mums Laur mukfu  
Pestitaju un Winnia Appustuleem irr rahdichts  
tappis. Mchs tad, m. Br. un M! tam  
Mihlaam Pestitajam gun ne warram pateikt

ka mums ne veen no weffas Derribas Deewa  
wahrdi irr usfihmeti, bet ka ar eekfch jaunus  
Derribas tik dauds mums no Deewa Wahrdeem  
irr atstahts tappis, ka mehs to miklu Bihbeli,  
tohs Weffas un Jaunas Derribas Deewa wahr,  
dus warram par weenu Dahrgaku Mantu  
turrecht, ka wisfas Pasaules Mantas. Ta  
mums nu ar bij to fahemt, kad mums kas  
no teem sprochteem Rakfsteem tohp preckfcha  
lasfihis, tur bij muhsu Sirdim pee Jesus krah,  
jahon gulleht; un to dokmahit kohpa esam  
Jesu klauseit, Tendum Tandu Wahrdu.

Go mums irr dauds wairak, ka tum Hahninam  
Dahwidam bija; Wurfch redseja no tahlenes weem,  
kas mums itt tewsu irr, kad wurfch fakha:  
Es pasargohs eekfch Tandu Lufpu wahrda: Tad  
wininam weem bija tee Deewa Baufli un kahdi  
usrakfijumi no teem Prawdescheem; bet ko  
mums buhs fazzikt? ka mums tee Deewa Wahr,  
di irr usfihmeti, ko tas Deewa Dehls muhsu Kungs  
Jesus Kristus irr Runnais; un ko Winina  
Appustuli irr tulkojuschi no winina, no sprochte  
Larm

Garra mahziti. Tadehl, lai mehs to ar Pateik,  
fcharu fanemmam, un ar muhsu Sirdim to weh,  
ra niemmam, ka mums tahda Manta irr us,  
tizzeta, kas wisfas Pasauls mantas par Subdeem  
darra. Atk zik dauds no teem pirmakceem Kristi  
teem Kilwekeem, irr fchos Deena Wahrda dehl fawu  
Sfikhwibu nodemufchi; us zik Dafchadu wiksi wini,  
ni irr mohziti tappufchi, un tomehar winini preezi  
qi un pateiziqi wisfu fariehome, Un wisfi kas Deena  
bijiqi gribb. Sfikhwoht eekfich Kristus Jesus buhs  
wajateem tapt. 2. Tim. 3, 12. Fas tanni Laika  
ta bija, tas arridfan wehl fhodeem ta irr, wehl  
fchini Laika. Kristus tas Krufta fifts fluddi,  
nahts par peedaufifcharu dascheem, un zitteem  
par getikibu. Teem paschtainceem Rahmeem  
Kilwekeem irr tas par peedaufifcharu, kad dfird,  
ka mums buhs bes wisfa nopelna taifroteem  
tapt; un ka wisfa muhsu pascha taifniba un  
Rahmiba ne meeka palihds us frochtibu.

Bet ka Kristus Afins un Taifniba muhs weeni,  
qi frochtigus darra. Kad teem Gudreem Kilwe,  
keem tohp tas Ewangelijums fluddinahts, tad wehl  
fhodeem turr to daschi par getikibu, winihi  
kaunahs us to Deendu tizzekt, kas Krufta Kohka

nomorris, kalpa lihmi staugajis, un wisfas grich,  
tibas muhsu dehl iszeetis irr. So ta lai muhsu  
m. Pestitais nu Schekliqi pasargaa, ka muums tas  
Wahrds, no winnia Krufta, neds par peedaufschanuu  
neds par Gekribu tohp, bet par Deewa spekku,  
ka mehs winniu, un Winnia Wahrdu nekaunamees,  
bet pee winnia apleezinajamees; jo winsch pats irr  
farris: Kas man apleezinahs pee teem Zilwekeem  
to arr es gribbu apleezinabt preektsch manna  
Tehwa, kas Lebberis irr. Bet kas mannis ais,  
leegs preektsch Zilwekeem, to gribbu es arridjan  
aisleest preektsch manna Tehwa. So winnia  
pascha mehs isluchasimees: Lai Winsch muums  
Sawus Wahrdu Sirdi eerakfta; bet lai winsch  
tohs ar tur eekschä paglabba, tad tas, kas tur  
eekschä irr, warr arridjan tur ahra nahkt.  
So ko mehs eeksch frechteem Raksteem lasfahm,  
to buhs muums tas frechteis harrs tik spaidri  
darriht, ka tas ta muhsu firdim eefihomejahs,  
ka tas eeksch teem frechteem Raksteem rati,  
stihis irr, un tas noteek ta: Kad mehs tohs  
frechtus Rakstus lasfahm, Sirds ka horigi Deewe  
Praktu dabbuht fimonakt; tad tohp muums  
weema

weena pateefiba pehz tahs oktras, no ta fwehta  
Garra fpehzigi eekfeh Sirds eefihmeta un eespee  
fta, un mehs dabujam weenu Juschanu no  
tahs, un baudahm to ko mehs esfam lasfjifchi.  
Kad mehs nu Weetu dabujam, to pitteem  
ftahftiht, ko mehs eekfeh ta fwehta Garra  
Skohlas esfam mahzjufchees, tad eet ar mums,  
ka tas Pestitais pats fakka: Weens labs kilweks  
no tahs labbas mantas farwas Sirds, isdohd  
labbu, jo ar ko ta Sirds pildita irr, to winna  
Mutte isrunna. Tahda Skohla bij nutai Frau  
djibai buht, kur ikkatris Lohzeklis pee Jesus  
kahjahm buhtu mahzjhts tappis, no ta fwehta  
Garra; jo to mums tee fwehti Rakfti apfohla,  
wisfi buhs no Deewa mahzjiteem buht; un kad  
tad tas fwehtais Garra weenu usfauktu weenu  
Leezibu no ta doht, ko winsch pats pee farwas  
Sirds irr fajettis; tad warretu rahditees, ka  
tahds kas pats to zellu irr gahjis, kurru pitteem  
buhs rahdiht. Ka Jahnis fakka. 1. Gr. 1. Kod,  
3. ko mehs esfam Redfejufchi un Djirdejufchi  
To pasfluddinajam mehs jums.

Ik weens Brahlis jeb Mahja, kas eeksch Drau,  
Asibas tai Skokla ta fwehta Garra paleek un  
us ta fwehta Garra Balsi Klaus, tas ikdeenas  
augg eeksch tahs atfihshanas muhfu Kunga  
Jesús Kristus, un ta sadraudfeshanas sturdina  
arr to m. Pestitaju, tohp tahdam ikdeenas peeneh,  
migaka un baudijama. Kad tad irr jaect gullekt,  
un apdohmajahs, ka irr fchi Deena parwaddita,  
fpih turdu irr man schodeen mans Draugs bijis;  
Woi es wisfas fawas Stundinas efmu eeksch Win,  
wia turdu buhshanas parwaddijis? woi es ar man,  
neem Beedreem jeb mahjas Laudim meera Dsihwo,  
jis? Tad drihs muhfu Sirds mums atbildehs, ka  
mums klakjast, kad nu feru wainiqu atrohdahs  
eeksch kaut kahdas lectas, un warr ar to meera  
dohtees bes isluhgatas peedofshanas no Pestitaja  
pusfes, Tad nau brihnumms, kad tai nahkofcha  
Deena bes juschanas ta Deenu meera, usmohft  
un uszellahs, ta Sirds tad irr fausa, un jo  
wairak Laika noect, kamehr no Pestitaja  
peedofshanu dabbu. Ta ne ween tahs Deenas  
tohp parwadditas bes Winna turdu buhsha,  
nas, bet Nedelas un Mehnesis warr noect;  
un

un mehs Gallä eeksch Grehkeem krihtam.  
Bet kad eeksch pahrbaudifchanas atrohdam:  
Wierfeh mums me ween irr turdu bijis, bet mehs  
Wieru wehl turdu juhtam. Ak zik pilna irr  
tad muhsu Sirds no pateifchanas, un zik Behr,  
nifehki no winna isluhdjaks, tahda Sirds no  
Pestitaja: Ak mans wispe mihlakais Seena Ich,  
rinsch; kas Tu wisfas Pasaules Grehkus esfi nesfi,  
niemm man no jauna tawä Patwehrumä, dohd  
man no jauna, Tawam fwehtam Garram eeksch  
kohpschanas, ka es ne kad aismirstu, ko tas Ten  
irr makfajis, ka esam ispestiti ne arr Seltu un  
Sudrabu, bet ar Tawam Sahrgahm Asfinim,  
dohd mannim ar us fcho Seenu un Nakti, ko  
Tu mannim esfi nopelnijis, ka es wispe mannu  
Laitu parwaddu eeksch tahs Baudifchanas  
Tawas Greeschanas un Nahwes, kamehr manna  
Mutte nobahles, eeksch Tawu Rohku un klehpi  
un mehs Muleshigi kohpë buksim. Us tahdu  
wihse warr muhsu Seenas prohm eet, eeksch  
weenu mehrigas Seena Meera Baudifchanas.
