## Jau nas sinnas.

No Sweedru semmes. (6. Merz.) Jau diwôs gaddôs tif mas Dees wa fwehtibas tur us laukeem irr bijusi, fa waldineeki behdadami, fa maifes truhkums laudim ne usnahs, lihds schim pawiffam bija aisleeguschi, brandwihnu dedsinaht. Sohlija gan, schi pawaffara to atkal doht brihw; bet fa taggad rahdahs, wairaf fwehtibas schinnî gadda gan ne buhs. Wiffi tihrumi tuffschi no sneega, pussdeenâs faule jau sahî sildiht un nakts atkal fahst. Wifs rudsu sehjums drihs ees pohsta, ja Deews schehligi ne pafar gahs. Lai jel waldneeki brandwihna dedsinaschanu wehl ne dohd brihw, to nabbagi wiffi taggad tur luhds.

No Schwizzeru semmes. (11. Merz.) Kas tad to ne sinn, fa arri tannî semmê dauds deewabihjigi un ihsten kristigi laudis dsihwo? Bet Deewam schehl! arri dauds no teem tur irr, fas tif wahji sawa tizziba, fa tee no katra mahzibas wehja leef schaubitees un katram garram, fas winnu nammôs eewillahs, tizz, ne mas ne ismekledami, woi tas teescham no Deewa. Weegla leeta, tahdu zilweku ausis un firdis nogreest no Jesus wesseligas mahzibas, winnu prahtu pildiht ar wiffadahm leefahm doh mahm un winnus skubbinahht padarriht to, fas ne klahjahs. Fa wiffu wairaf schinnîs pehdigôs gaddôs tur bija notizzis, fa schee wahji lautini,

fawu mahzitaju mahzifchanu wairs ne zeenidami, fchahdeem tahdeem zilwe:  
feem peegreesahs, fas ar fawu deewabihjafchanu leelidamees, leelijahs lab:  
bafi sinnaht, fahdi tee ihsti Deewa wahrdi effoht, un usnehmahs win:  
neem rahdiht, fur Kristus ihsten atrohnam. Tad nu dauds wiltigi pra:  
weefchi tur zehlahs, Deewa pascha fwehtus rakstus nehme fawa rohka  
un fahze mahziht, ikweens pehz fawas patiffchanas. Winni Jesus dahr:  
gas mahzibas tif wiltigi fajauze ar fawahm besprahtigahm un traffahm  
isdohmaschanahm, fa dauds dwehseles tiffe peewiltas un aplam to tiz:  
zeja, fo muhscham ne buhs tizzeht. Raug' nu, fas notiffe! Wisspir:  
maf winni teize, fa winni paschi to mahzibu effoht atradduschi fwehta  
bihbelé, fa ne buhs klaufight waldneefeem. Luh! tahda mahziba lau:

pahre dauds walsteem. — "A, juhs nesaprattigi! fur fwehtos rakstos  
juhs tahdu mahzibu gan effat usgahjuschi? Voi ta weetina jums naw  
sinnama, fur Pahwils fawam draugam Titum ar skaidreem wahrdeem  
raksta: (3, 1. 2.) "Atgahdini tohs; fa tee tahm wirfihahm un waldis:  
fchanahm irr paklausigi un us wissu labbu darbu gattawi, neweenu ne  
saimo, ne fahjahs, bet lehnigi, wissadu laipnibu parahda wisseem zilwe:  
feem." — Schee leefi praweeschi arri to mahzibu bija fluddinajuschi,  
fa wiffas tahdas grahmatas, fur Deewa wahrdi naw eefschá, bet zittas  
fahdas mahzibas un gudribas, Deewa preefschá effoht tihri neefi un fa  
ihsten fristigeem zilwefeem tahs wiffas effoht ja:isdeld ar ugguni. —  
Wai jums afleem zekrahditajeem! Voi tas warr buht Kristus un  
winna Apustulu prahts? — Gan tanni fwehta lihdsiba, fo winsch  
stahstija (Matt. 13, 24—30.), tee kalpi brihniyahs pahre tif dauds nif:  
nas fahles un tihruma fungu prassija: "woi tu tad gribbi, fa mehseetam  
to israweht?" bet kungs skaidri fazzija: "ne, fa juhs to nifnu fahli is:  
rawedami, ir tohs fweeschus ne ispluhzat. Laid abbi fohpa aug lihds  
plaujamam laifam." — Kur juhs tad fawu mahzibu effat atradduschi?  
— Tanni Schwizzeru pilssehta, fo fawz Ihwerten, tur winni 20. Wehr.

ar faweem tizzigeem mahzeesteem leelu pulku malkas preeksch pilsehtas wahrteem fanesse, uskuhre ugguni un laudis ffubbinaja, lai wiffadas grahmatas mett eekschâ. Jo wairaf eemette, jo drohschafi tee brehze: wehl wairaf! un kad redseja, ka winneem wiffi tâ paklausija, tad winni eedrihsteja beidsot arri tâ faukt: mettat jel paschas tahs drikketas bih: belu grahmatas ugguni, jo wezzôs laifôs, kad pestitajs pasaulê dsihwo: ja, tad tahs wiffas wehl naw bijuschas. — Deewa laime, ka fchohs wahrduhs dsirdoht daudsf peewilteem azzis peepeschi atdarrijahs un prahts atfal nahze mahjâs. Schee nu teem zitteem zehlahs pretti, teifdami: à rê! us to juhs mums gribbat palihdseht, ka mehhs atfal nahkam wezzâ tumfiba; ne! tohs Deewa rakstus ne mettam nohst. — Zeela kauschana wehl buhtu bijusi, ja palzei pee laifa ne buhtu atffrehjusi. — Schinni mehneft tur pee tahs paschas pilsehtas atfal zits, wehl leelafs trakkums rahdijahs. No teem pascheem peewilteem lautineem daschi, dabbutuschi sinnah, ka Kohlera: seherga ifneddel winnu semmei nahsoht tuhwafi, tâ isbailojahs, ka pawiffam palikke itt fâ ahyprahâ; winni ffrehje kohpâ un nospreede, ka winneem, kas paschi turrejahs par teem isredseteem Deewa behrneem, tahda Deewa dusmiba essoht ja: nogreesch no tahs pasaulê saur to, ka weenam no winneem buhtu list peesistees pee kahdu frusta: stabbu. Jau frusts bija gattaws, arri numberus winni jau bija wilkuschi, grib: bedamifinnah, furrâ Deews fcho gohdu atwehlehs, un wezza seewa, to pirmu wilkusi, jau taisijahs teem zitteem traffeem padohtees, tad teefa wehl ihstena laifâ atnahze un to nabbagu seewu isglahbe no winnu rohahm. — Preeksch mas gaddeem schahs tizzibas beedreem jau weenreis tahds pats trakkums bija mettees galwâ, bet tobrihd teefa wehl ne fo no tahdahm winnu besprahtigahm dohmahm sinnaja un winneem isdewahs, weenu jaunu meitu teescham peenagloht pee frustu un mohzidami winnai gallu darriht. Lai Deews jel wiffus laudis pasarga no tahdahm leefahm doh: mahm un lai laudis arri paschi fargahs no wiltigeem praweescheem, ka winni, fâ tas Apustuls saffa, (Tit. 1, 13. 14.) paleef wesseli tizzibâ, un

ne dohdahs us tahdahm pasaffahm un tahdu zilwefu haufleem, fas no greeschahs no tahs pateesibas.
